- 2 Kings 24:3-4 shows the ONLY OUTCOME for this crime!
- **Why?** Genesis 9:6 – Why such a harsh Physical and Eternal law? **Because God made man in His own image!**

I was asked last Sunday if you find out that the baby in the womb or being born has something wrong like Down Syndrome, Cerebral Palsy, Brain defects, heart defects?

- Let me show you a picture this morning...
- Exodus 4:10-12
- **Do you know what God is showing here and doing here?** "Who are YOU to murder a baby that God has made!" or "Who are YOU to choose that a baby dies!"
- **For reasons that we will never know...** God allows babies to be born with many different things that we don't consider normal.
- **I know this much...** I've learned things about life from my little brother that I've never learned from anyone else! If I could only love like Jamie did! If I could only never meet a stranger like Jamie did! If I could love Jesus like Jamie did!
- **IF Amendment 3 is passed**, the current law to protect any Down Syndrome baby or handicap baby FROM being Aborted for that reason **will be overturned!**
- What's at stake on Tuesday November 5th? **Every baby's life!**
- **We MUST vote NO on Amendment 3!**
